Bar Program

The bar program at Prospect celebrates everything from pre-Prohibition era cocktails to spirits produced by today's most progressive distilleries.

With a firm grounding in classic bartending technique we are also always looking for new ways to bring our guests an experience that is interesting and approachable.

With the benefit of high quality local and seasonal produce we are able to craft many of our own shrubs syrups and bitters. To complement our cocktail and spirits program we strive to create an atmosphere that is warm engaging and ultimately hospitable.
